## HIGH SCHOOL SAILING NEEDS YOUR HELP!

Over 5,000 high school student sailors from over 450 high school sailing teams are participating in numerous sailing events throughout the school year. These sailors and teams are members of the Interscholastic Sailing Association (ISSA) and individual districts organized across the country. During the school months, thousands of young athletes are active in the sport of sailing and the number of sailors and teams is increasing each year.

To continue the success of ISSA and high school sailing, we need your help. Dues, grants and donation cover the expenses of ISSA. This year we would like to increase our donation program and raise \$25,000. The areas of need are:

1. General support of ISSA
2. Education and training
3. Sailing and racing operations

Join the "ISSA Team" and help this wonderful activity continue to grow!
